- Describe a work or internship experience related to structural engineering and what you learned from the experience that you can apply to your career.

Applicant Name: _____

SUBMISSION

E-mail completed application and the information outlined below to scholarship@seain.org. Submit all application materials in a single email.

This application form must be accompanied by the following:

1. Official transcript(s) from all school(s) attended
2. A letter of recommendation from a professor or employer is strongly encouraged, but not required. Letters of recommendation should be relevant to structural engineering (e.g. structural engineering professor, past or current employer in a structural engineering firm).

Use additional sheets to provide information, if necessary. Applicant’s name should appear on each sheet.

CERTIFICATION

I hereby acknowledge that all the information submitted on this form and with this application is true and accurate to the best of my knowledge. I understand that submitting false information will automatically disqualify me from any consideration for a scholarship or be the cause for forfeiture and recovery of an award.
